About the Seminar

Education is fundamental for achieving full human potential, developing an equitable society and promoting national development. The National Education Policy (NEP) 2020 is a comprehensive framework aimed at transforming the education system in India. It replaces the previous education policy, which was formulated in 1986 and revised in 1992. The NEP 2020 encompasses all levels of education, from early childhood to higher education, and emphasizes several key principles and objectives like holistic and multidisciplinary education, flexible and integrated curriculum, equitable access and inclusion, emphasis on early childhood care and education (ECCE), equality and relevance, teacher training and professional development, technology integration, research and innovation. Overall, the National Education Policy 2020 seeks to transform the Indian education system to meet the needs of the 21st century and prepare students to thrive in a rapidly changing world.

Empowering higher education refers to providing institutions, faculty, and students with the resources, support, and opportunities needed to excel and make a meaningful impact. This empowerment can take various forms, including autonomy, Granting higher education institutions the freedom to make decisions regarding curriculum, administration, and resource allocation, enabling them to adapt to changing needs and circumstances, resources, quality enhancement, access and equity, innovation and research, technology integration, global engagement, facilitating international collaborations, exchange programs, and partnerships to promote cross-cultural understanding, knowledge sharing, and academic excellence. By empowering higher education, societies can unlock the full potential of individuals and institutions, driving socioeconomic development, innovation, and progress.

The proposed seminar will empower the participants' about multiple key areas of NEP – 2020 & transform the Indian education system.
